Princess Victoria Kaiula.

The Hawaiians will have a clever girl for their Queen when the time comes for Princess Victoria Kaiula, heir presumptive, to reign over them. Her guardians are going to send her to our Wellesley College to complete her education. Her present school-fellows at Harrowden, England, will miss her immensely as she is a bright, clever girl and a favorite. The only thing which seriously grieves her teachers is that she is much too fond of school-girl slang for a future Queen. But then she is a healthy girl of sixteen.
